

## Details of Locker Occupancy

Indians are the largest consumer of the gold. Gold has been used as ornaments and gifted during festivals and weddings. A weak dollar, in the wake of recession has forced people to invest in Gold which in the long run would fetch more returns. Low savings rate, inflation, economic crisis and fall in gold supply added the demands of purchasing of gold either in bars / biscuits or in ornaments. The price of gold is skyrocketing day by day. Therefore safe keeping of Gold is all the more important. Our company extends service by introducing locker facilities with a nominal rent under mentioned branches: -

The address details can also can be obtained by sending sms to the number 537252 in the format ksfe <> name of the place. Limited lockers only.
