

The Kerala State Financial Enterprises Limited

NOTICE INVITING TENDER

**E-TENDER for Supply, Installation, Commissioning and
Maintenance of MPLS VPN Connectivity for Offices & DC
Locations of KSFE Ltd for 3 years floated RFP No:
KSFE/IT/14061/25/1 dated 10/07/2025**

E-Tenders are invited from reputed vendors for **Supply, Installation, Commissioning and Maintenance of MPLS VPN Connectivity for Offices & DC Locations of KSFE Ltd for 3 years**. E-tenders can be submitted through the website <https://etenders.kerala.gov.in>

Bid publishing date	18.30 hours on	10.07.2025
Bid download start date	18.45 hours on	10.07.2025
Last Date for Seeking clarifications	17.00 hours on	18.07.2025
Bid submission start date	11.00 hours on	24.07.2025
Bid submission closing date	17.00 hours on	31.07.2025
Date & time of opening of E-tender	11.00 hours on	04.08.2025

The company reserves the right to accept/reject any tender without assigning any reason whatsoever.

Tender Document Details

Key Information	Details
Assignment Title	Supply, Installation, Commissioning and Maintenance of MPLS VPN Connectivity in KSFE Offices
Tender Ref No and Date	IT/14061/25/01 dated 10 th July 2025
Purchaser	Kerala State Financial Enterprises Ltd.
Published Date	10 th July 2025
Last Date for Seeking clarifications	18 th July 2025 5.00 PM
Uploading of replies to Queries	23 rd July 2025
Bid submission start date	24 th July 2025
Last date for submitting bid documents	31 st July 2025 5.00 PM
Date of opening of Technical bid	04 th August 2025 11.00 AM
Earnest Money Deposit / Bid Security	5,00,000/-
RFP Cost	29,500/-

Issued by:

**The Managing Director
Kerala State Financial Enterprises Ltd.
Bhadratha, Museum Road,
Thrissur – 680 020**

To,

All eligible vendors (other than BSNL)

KSFE intends to identify a telecom service provider to obtain MPLS link connection for 705 locations (Branches/Offices/DC)

Dear Sir/Madam,

Sub: Supply, Installation, Commissioning and Maintenance of MPLS-VPN connectivity in KSFE's Data Center, and the Branches/offices identified by KSFE on lease basis for 3 years.

KSFE invites e-Tender cum e-Auction for Supply, Installation, commissioning and maintenance of MPLS-VPN Connectivity on lease basis for 3 years for the KSFE's Data Center and the Branches/Offices annexed to this document as per the technical specifications detailed below, integrating the same to the existing Core Application network in the KSFE as per the scope of work.

Brief Description of the Requirements:

SI No	Description of the proposed Link	
1.	Multi-Protocol Label Switching (MPLS) Virtual Private Network (VPN) connectivity in 705 Offices/Branches of KSFE for three years on Lease basis.	
Mandatory Items		
SI No	Band width Required	No of Locations
1.	1 Mbps MPLS VPN (RF/Fiber Last Mile)	702
2.	155 Mbps Back haul Link at KSFE’s Data Center (Currently AWS Mumbai) (Fiber as Last Mile)	1
3.	20Mbps MPLS VPN at KSFE Head Office (Fiber as Last Mile)	1
4.	10 Mbps MPLS VPN at KSFE Head Office (Fiber as Last Mile)	1
	Total	705
5.	2Mbps MPLS Link (RF/Fiber Last Mile)	For future link upgrades
6.	Incremental charges for upgrading Back Haul Link to 200Mbps, 250 Mbps (Fiber as Last Mile)	For future back haul link upgradation
7.	1Mbps with 4G/5G as Last Mile	As special cases where RF/Fiber is not feasible

Notes:

- The quantity mentioned above, is indicative and the KSFE reserves the right to vary the quantity as per requirement.
- The bidder is required to quote single rate for all the 702 1Mbps links – to be provisioned with either fiber or RF as last mile.
- Rates shall be valid for a period of 3 years using which KSFE may procure additional links, if required.
- The L1 evaluation will be based on the total annual cost for various bandwidths viz 1Mbps, 10Mbps & 20Mbps and Back haul link.
- Rate quoted for higher bandwidth 2Mbps will not be considered for L1 evaluation. However, the selected L1 bidder has to match the lowest rate for 2 Mbps in cases of link upgrades.
- The rate quoted for 4G/5G will also be not considered for L1 evaluation. However, the selected L1 bidder has to match the lowest rate for 4G/5G Mbps in cases of link provisioning using 4G/5G as last mile.

1. Introduction

About KSFE

The Kerala State Financial Enterprises Limited, popularly known as **KSFE** came into existence in 1969, as a Miscellaneous Non-Banking Company (MNBC) owned by the Government of Kerala, started with the objective of providing an alternative to the private chit promoters with a view to socialize the chit fund business. The Company which started in a humble manner has now grown into an institution doing business worth over Rs.80,000 crores annually, employing over 8000 persons directly and over 5000 persons indirectly, with a network of over 680 branches. The main activities of this organisation are Chitties, Sugama, Loans and Fixed Deposits. KSFE has set a business target of 100Lakhs subscriber base and a turnover of 1 lakh crore by 2024-25.

Purpose of Bid

KSFE has its Core Accounting Software (CASBA) deployed at AWS Mumbai Region. All KSFE Branches and Administrative Offices spread across Kerala access this core application for day to day business activities. Presently all these KSFE locations are primarily accessing the application through a MPLS VPN connection provided by M/s Airtel. BSNL VPNoFTTH is provisioned as Secondary connection at KSFE Offices.

The objective of this bid is to identify an MPLS service provider since the contract with M/s Airtel is getting completed. KSFE proposes to procure MPLS VPN links across Kerala to build

Primary connectivity for KSFE Offices for running its core application software. The list of locations and the bandwidth requirements are given in Annexure III. The successful bidder has to establish the MPLS VPN Network and should be capable of maintaining it for a minimum period of 3 years.

2. Scope of Work

(I) MPLS VPN Network Services

KSFE intends to create a dedicated, private, secure, scalable, Closed User Group (CUG) & non-internet-based network between its Data Center (Situating in AWS Mumbai Region presently) and branches spread across the state of Kerala for seamless access to KSFE's critical business applications. The link level technical specifications are detailed below.

General Parameters

- The links should be dedicated (1:1; uncompressed, unfiltered and unshared) MPLS VPN link.
- The bidder shall provide Private multiprotocol label switching (MPLS) virtual private network (VPN).
- The circuit should be available in full duplex mode with sending and receiving available on the same circuit. (For e.g. - On a 2 Mbps circuit, 2 Mbps sending and 2 Mbps receiving should be possible simultaneously).
- The MPLS VPN should support any to any connectivity and should be a closed user group for KSFE and should not have any physical and logical interference with other customers of the TSP or Internet route/traffic.
- The bidders should have their own nation-wide high availability MPLS network backbone. The bidder's core MPLS backbone should be fully meshed.
- All the POPs from where the MPLS bandwidth is provided to KSFE should have redundancy of equipments, links, power, backhaul connectivity etc
- KSFE has offices across the entire state of Kerala, hence the bidder's should confirm their availability across the entire state of Kerala and work seamlessly throughout the country.
- The bidder shall be required to commission the links from the bidder's nearest PoP
- The solution should provide end to end transparent data reachability of data, voice, video etc (no filter of traffic from Service Provider)
- Bidder has to replace/repair faulty/damaged equipment at the bidder's own cost, irrespective of the reason of fault/damage, during the contract period. However, the "force majeure" clauses will apply. In any case, the bidder will have to arrange for replacement of the faulty/defective equipment.

Network performance parameters

- Latency, for wired connectivity, should not be more than 110 ms (End to End/Round Trip) for a 1500 byte packet size measured for a minimum of 1000 packets on a 50% bandwidth utilization. Latency, for RF/Wireless connectivity, should not be more than 135 ms (End to End/Round Trip) for a 1500 byte packet size measured for a minimum of 1000 packets on a 50% bandwidth utilization.
- Average Jitter of the connectivity should be less than 30 ms measured for a minimum 1000 packets
- Minimum MTU (maximum transmission unit) size should be 1500 bytes .
- Packet Delivery Packet drop should not exceed one out of every one thousand packets
- The connectivity should support trace-route, Ping, extended PING
- The MPLS-VPN solution should be capable to support multicast using industry standard multicast protocols in all variants (like dense mode/sparse mode etc.) i.e. Protocol Independent Multicast - PIM Sparse Mode (PIM-SM) and above standards.
- The Bidder should have predefined traffic transport QoS (Quality of Service) parameters, which provide throughput, latency, packet loss, jitter commitments and application prioritization
- The connectivity should be capable of providing end to end Quality of Service (QoS) features which includes end to end differentiated services code point (DSCP) and class of service (CoS) continuation, end to end traffic categorization, bandwidth provisioning and prioritization etc.
- The ISP should have Dual Stack (IPv4 plus IPv6) ready Network.
- Bidders network should support dynamic routing protocols like Open Shortest Path First (OSPF), Border Gateway Protocol (BGP) etc.
- The bidders network should provide end to end traffic categorization, bandwidth provisioning and prioritization as required by KSFE .
- The bidders network should able to provide Multi VRF environment.
- The bidder should have the capability of increasing / decreasing bandwidth on demand and such changes in bandwidth must be provided within 10 days.

Security

- The bidder should be in a position to block Distributed Denial of Service (DDoS) attack at their end. ISP should have the feature to block a list/range of public IPs as and when KSFE desires as part of security measures.
- The bidder should be in a position to block brute force attacks

- The connectivity should support net flow or equivalent feature for network & security monitoring

Last Mile access

The backhaul link to be terminated at KSFE's Data Centre (DC) should be on Optical Fibre(OFC) media with self-healing ring based architecture. The last mile should be coming via two physically different paths. A diagram showing path redundancy at our data centre should be submitted with technical bid. Any cross-connect charges, if required to terminate the link at our Data Center, have to be borne by the service provider.

The last mile connectivity at Branch Locations (other than DC Links) should be on RF/ Fiber--As a special case, in locations where both these last mile are not feasible, KSFE at its discretion may consider 4G/5G as last mile

Building permission will be provided by KSFE. In case of RF, acceptance of RF may depend on landlord's permission at some Locations. Service Provider has to ensure the following:

- RF Tower should be as per specification **(detailed elsewhere in the document)**
- The Service Provider will ascertain that there is no interference in the RF channel provided to KSFE by other Radio devices in the neighborhood. In case the channel provided has interference or permission is not available at the Location to use un-licensed RF channel, then the ISP will apply and make available a licensed channel and compatible Radio modems at its own cost. KSFE will not bear any extra cost towards the same.
- Bidder should provision all equipment required to provide the wireless connectivity at branch/office for getting usable wireless signal strength i.e. internal/external cabling and antenna etc.

In order to deliver links on wire media, the bidder can avail third party network infrastructure other than M/s BSNL at last mile network. In such cases, **the bidder should ensure that the third party network provider is not providing the last mile connectivity to KSFE at that location for any other service provider.** However the ownership, SLA maintenance, data security & confidentiality of the network links have to be ensured by the bidder. The total responsibility of liaising, commissioning, maintaining the links including all the commercials involved should be taken care by the bidder. The bidder would ensure that the local loop provisioning does not violate regulations as laid by Government of India/TRAI in respect of such links/networks. Bidder will be responsible for making all the payments towards the local loop charges/rentals/WPC charges etc.

Last Mile Interface

The bidder should provide Ethernet connectivity over RJ45 interface to connect KSFE's branch router to the MPLS network as well as at Data Centers also irrespective of the type of last mile deployed. Cables with required interfaces have to be arranged by the bidder.

Bandwidth sizing

- The Bandwidths to be provisioned by the bidder for the DC and branches/Offices have been **defined in Annexure – III of the RFP document.**
- Selected bidder shall provide committed bandwidth at each location and make it available continuously. Bidder should ensure that committed bandwidth subscribed by KSFE is always available for use. KSFE may test the load on the links from time to time. In case of bandwidth subscribed by the branch is not available at any time, the duration of non-availability of committed bandwidth will be treated as downtime of the link. Penalty on downtime will be enforced accordingly.
- The initial bandwidth of each MPLS link at branch end should be 1Mbps. The bandwidth must be capable of upgrading at a later stage as and when required by KSFE.
- The bandwidth of backhaul link is factored as 155 Mbps and bidder to quote the cost of the same in commercial bid.

Acceptance & Testing Criteria:

KSFE will carry out the acceptance test of a link within 15 days of link handover. Acceptance test will check for link compliance with respect to specified performance parameters and of successful integration with KSFE's network as per scope of work. The vendor shall assist KSFE in all acceptance tests to be carried out by the KSFE. KSFE at its discretion may modify, add or amend the acceptance tests which then will have to be included by the vendor. The vendor shall arrange for the tests at the relevant sites in the presence of the KSFE officials. The vendor should ensure that the tests will involve trouble-free verification and testing and that there shall not be any additional charges payable by KSFE for carrying out this acceptance test.

Non-functioning of Links:

After commissioning of Link, in case the Link becomes non-functional due to LOS (Line of Sight) issues, Infrastructure issues etc., Service Provider has to make all the necessary arrangements immediately to restore the Link. In case it is not possible to restore the link within 4 weeks, the Links should be provided on an alternate media in consultation with KSFE without any additional cost to KSFE. In case Service Provider is not able to provide the Link at that Location, then the Link will be treated as defunct. Payment will not be made for the balance period of contract for that Link.

Shifting of Links:

KSFE will inform Service Provider to shift the link from existing place to another place at the same location based on business requirement. In such cases, the vendor should provide the link at the new location within the stipulated time as intimated by KSFE. It is the vendor's responsibility to dismantle the entire infrastructure at the existing location. In this case, actual expense/OTC quoted (whichever is least) shall be paid to vendor on account of shifting the link infrastructure and commissioning at new place. SLA for this job shall be in line with the "shifting of the Links" under "Delivery Schedule" and appropriate penalty shall be charged in case of any delay in completion of shifting and commissioning of the Link.

Monitoring and Reporting

- Service Provider shall provide qualified and experienced network Engineer (2+ years of experience), at KSFE Head Office, well versed in similar projects / MPLS Technology during working hours on all working days, who shall manage and coordinate the project implementation and monitoring thereof till the complete rollout of the project.
- The bidder should use a standard Network Management and Monitoring System (NMS)/ Online Portal to cater such a large network efficiently and KSFE should be provided with viewing rights of the same.
- The bidder should provide a centralized non dedicated Network Operation Centre (NOC) services. The Network Management System at the NOC should provide the following facilities on a 24*7*365 basis :
 - Monitoring network status
 - Configuration of all network components related to the bidder.
 - Downloading of operational Software to network components related to the bidder.
 - Enabling or disabling of remote RF devices.
 - Fault diagnosis and display of alarm
 - Support for SNMP all versions
- The bidder should proactively monitor the entire network and arrange for timely resolution. Bidder should provide the detailed methodology of monitoring and calculating the uptime/SLAs in the technical bid
- The selected bidder shall have to provide access to its monitoring portal that provides

- Real time dash board showing summary of the network health like number of up/down links
- The portal should also provision features to drill down till each branch like branch link status, device status, interface status, bandwidth utilization in real time.
- All monthly SLA reports submitted to the KSFE should be compiled by the Bidder using the Bidder's monitoring portal for the entire duration of the contract. SLA report should contain all parameters given in this RFP and their value.

Mast Specifications

Bidder must ensure that it will use products that are intrinsically safe and are approved for use. It must adhere to relevant Government of India safety regulation and use earthing for all masts. All clearances, wherever required, in respect of the mast/pole/antenna from any government / local / statutory bodies etc. like LSG Institutions (Gramapanchayath, Municipal corporations etc..), airport authorities are the responsibility of the bidder.

Maintenance of the tower

- Engineers should visit and conduct health checkup of the tower in every first and third quarter or as and when called by branch. If anything is found to be faulty should be replaced/repared without any cost to KSFE .
- The mast or tower should be painted as per the laws of the land, as applicable
- Tower should be painted every two years
- During shifting of Branch location, it is the responsibility of the service provider to remove all network equipments installed at the previous location.

Others

- External antennas should have proper lightning conductors, wherever necessary
- Bidder shall meet all the Govt. or other Regulatory directions/ requirements and ensure compliance.
- The LAN IP addresses currently being used in KSFE, where MPLS connectivity is proposed, shall continue and retained by KSFE. Service Provider should ensure that they configure MPLS Links in such a way that there is no change in the LAN IP schema being used by KSFE.
- Service Provider should ensure that the MPLS Link is configured properly as per KSFE's requirement, which will be provided during the Link configuration, in co-ordination with KSFE's Network team.

Delivery Schedule

Service Provider shall ensure to obtain entire approval / permits, which are necessary to commission the Link at the Location. The entire duration to carry out Delivery, Installation and Commissioning of MPLS Links should be as per time line mentioned below

Sl No	Activity	SLA
1	Commissioning of Links	1) Commissioning of 50% of allotted links (Branches / Offices) - Within 5 weeks of PO 2) Commissioning of remaining 50% of allotted links (branches / offices) - within 10 weeks of PO
2	Upgrade of Bandwidth without change in last mile technology	Within 2 weeks of placing request
3	Upgrade of Bandwidth with change in last mile technology	Within 4 weeks of placing request
4	Shifting of the Links	Within 4 weeks of placing request

3. Procedure for Submission of Bids

Bidders are required to submit their bids in two-part bids (along with EMD and RFP Cost) consisting of the following, through this E-Tender. Interested bidders can submit their Technical bid and Commercial bids through the e tender site <https://etenders.kerala.gov.in>

3.1. Technical Bid (Part –I)

This should contain all technical details, Literature, Leaflets etc. confirmation of commercial terms and conditions of the tender.

3.2. Commercial Bids (Part–II)

This should contain Prices against the bill of materials. Format of Commercial Bid is given in Proforma-1.

First Technical bid document of bidders will be evaluated and those who qualify this stage will be eligible for further evaluation. Commercial bids of only those bidders, who qualify the technical criterion, will be opened and evaluated further. The bidder has to remit the tender fee, EMD, Technical & Commercial bid through the e-tender website online.

EMD of the successful bidder will be returned only after successful execution of job against the Outline agreement /Purchase Order and submission of Performance Bank Guarantee. EMD of the unsuccessful bidders shall be returned after finalization of the successful Bidder.

KSFE does not take any responsibility for any delay in submission of online bid due to connectivity problem or non-availability of site. No claims on this account shall be entertained. Incomplete tenders shall be liable for rejection without seeking any further clarification. KSFE also reserve the right to reject any or all tenders without assigning any reasons whatsoever.

Every Tender should be accompanied by an agreement in the prescribed form (Annexure-1) of Store Purchase manual on Kerala Government stamp paper worth Rs.200/- Any additional stamp duty legal charges etc. in respect of agreement will be borne by the bidder. (copy of agreement shall be attached with the Technical bid).

Every Tender should also be accompanied by a non-Disclosure Agreement in the prescribed form (Annexure – II) on Kerala Government stamp paper worth Rs.200/- Any additional stamp duty legal charges etc. in respect of agreement will be borne by the bidder(copy of agreement shall be attached with the Technical bid).

The bidder should submit hard copies of all the documents in triplicate other than the commercial bid submitted through the e-tender website to KSFE within 3 days after the last date of submitting the tender.

3.3. E- Auction (Reverse Auction)

After completion of technical evaluation, financial bids of the technically qualified bidders will be opened. Further the bidders will be invited to participate in online reverse auction process through online Tender portal. The Total Cost of Ownership over 3 yr period quoted in the BOQ (Bill of Quantity) will be used for financial evaluation. KSFE will schedule the Reverse Auction date, the Auction window period and the Base price for the auction. At the scheduled date and time, the bidder will be able to submit reverse bids upon the Base price. A bidder can quote lower than the current L1 amount any number of times during the auction window. The bidders will be able to view the current L1 bid in real time without seeing which bidder has quoted the L1. The Auction window will be auto extended by a certain amount of time if a bidder submits a bid during the last few minutes (which is configured by the KSFE) in the auction window. The lowest bid submitted by various bidders in the Reverse Auction will further be used and the successful bidder will be finalised. The cost of the individual line items, after reverse auction,

shall be revised and shared by the successful bidder in BOQ format such that it totals up to the final lowest amount quoted by the bidder during the reverse auction. If the process gets stuck during the etender process due to technical or unanticipated situations, KSFE reserves the right to proceed manually. In such eventualities, the details available from the password protected soft copies will be accessed in a fair and transparent manner and the tender process will be completed. If there is any discrepancy between financial and or technical details in the templates of BoQ submitted or uploaded during the tender processes, KSFE reserves the right to use all the details available in the BOQ. In other words, in case of discrepancy, details submitted as BOQ only will be considered for taking the process forward.

3.4. Pre Bid Queries

In case the bidder has any queries regarding the tenders, they should forward the queries in the format given in Annexure VI to the email id etenders@ksfe.com on or before 18th July 2025 5.00 PM No further queries/clarifications on this tender would be entertained after this date. Reply to the queries will be published in the e-tendering site.

3.5. Period of validity of Bid

Bids shall remain valid for 180 days from the date of opening of commercial bid prescribed by KSFE. A bid valid for a shorter period may be rejected by KSFE as disqualified.

In exceptional circumstances, KSFE may solicit the bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing, (or by fax/e-mail). The bid security validity shall also be suitably extended. A bidder may refuse the request without forfeiting his bid security. A bidder granting the request will not be required nor permitted to modify his bid.

3.6. General Instructions to Bidders for E-Tendering

Interested bidders may submit the tender in the CPP portal (<http://etenders.kerala.gov.in>) and participate in the tender as per the instructions given therein, on or before the due date of the tender.

Corrigendum / amendment, if any, shall be notified on the site <http://etenders.kerala.gov.in> Bidders are required to complete the following process online on or before the due date/time of closing of the tender:

1. Technical Bid
2. Commercial Bid

Directions for submitting online offers, electronically, against e-procurement tenders directly through internet:

- The system time (IST) that will be displayed on e-Procurement web page shall be the time considered for determining the expiry of due date and time of the tender and no other time shall be taken into cognizance. Bidders are advised in their own interest to ensure that their bids are submitted in e-Procurement system **well before the closing date and time** of bid. The bidder should ensure that **EMD submission through e-tender has been completed successfully**.
- Bids/Offeres shall not be permitted in e-procurement system after the due date/ time of tender. Hence, no bid can be submitted after the due date and time of submission has elapsed.
- No manual bids/offers along with electronic bids/offers shall be permitted.
- No responsibility will be taken by KSFE and/or the e-procurement service provider for any delay due to connectivity and availability of website. They shall not have any liability to bidders for any interruption or delay in access to the site irrespective of the cause.
- KSFE and/or the e-procurement service provider shall not be responsible for any direct or indirect loss or damages and or consequential damages, arising out of the bidding process including but not limited to systems problems, inability to use the system, loss of electronic information etc.
- For any clarification pertaining to this tender, the bidder may use the email id etenders@ksfe.com

4. Contract Duration

1. The contract is initially for a period of 3 year. KSFE reserves the right to extend (after the expiry of the original contract) the period of the contract further for any period not exceeding 3 months at a time or till the next tender is finalized. The terms and conditions for the extended period will be same as that for the existing one.
2. The successful contractor will be required to furnish a Security Deposit in the form of a Bank Guarantee (as per Annexure V) for an amount equal to 5% of the quoted value of the total cost for a period of 42 months with a claim period of further 3 months (i.e. 45 months from the date of commencement of contract). In the event of the contract being extended, the contractor will have to submit fresh bank guarantee covering the extended contract period as increased further by a period of 3 months for lodging the claim.

3. The Company will have the right to terminate the contract at the end of a quarter, based on their performance. If the total penalty amount exceeds 10% of the Quarterly contract value, KSFE will warn the contractor for the poor performance and if the contractor could not improve the performance in the next quarter also, KSFE will make arrangement for a new tender process. In such an event, the contractor should dismantle all the equipments/ items fixed/erected in our premises, within 30days from the date of termination. If the contractor wishes to terminate the Contract, it should be intimated to KSFE in advance, not less than three months of such termination. It is the responsibility of the contractor to dismantle all the equipments/items fixed/erected in our premises, within 30 days from the date of termination. If the contractor quits the contract before the notice period (i.e., three months), KSFE will make ADHOC arrangements and the full expense for the next three months will be recovered from the contractor.
4. The successful contractor will be required to sign a Service Level Agreement with KSFE within 7 days from the date of purchase order.

5. Selection Criteria and Evaluation Process

1.1. Stage 1: Pre-Qualification

The bidder must fulfill Pre-Qualification criterion to qualify for next stage. The Bidder, not meeting any of the conditions, will be disqualified.

1.2. Stage 2: Commercial Evaluation

- a. The financial bids for the technically qualified bidders will then be opened on the notified date and time and reviewed to determine whether the financial bids are substantially responsive. Bids that are not substantially responsive are liable to be disqualified at KSFE's discretion.
- b. L1 Evaluation: The L1 evaluation will be based on TCO as shown below:

Total cost of link charges (with RF/Fiber as last mile) quoted for 1Mbps for the entire contract period

+

Total cost of link charges with fiber as last mile quoted for 10Mbps, 20Mbps and the Backhaul link of 155 Mbps for the entire contract period

+

Total One Time Charge quoted (single rate irrespective of media) against all locations.

Note: i) Vendors are requested to quote single rate against each Bandwidth irrespective of media.

ii) The rate quoted for 2 Mbps/4G/5G will not be considered for L1 evaluation.

c. The Bid price should include all taxes, duties, levies etc, and all prices shall be quoted in Indian Rupees only. The taxes should be mentioned separately in the bid document.

d. The Bid should be unconditional otherwise would be rejected

Note:

a. Only the Technically qualified bidders will be eligible for Commercial opening.

b. The L1 amount arrived through the financial bid or an amount fixed by KSFE will be used as Base price for the reverse auction.

c. KSFE reserves the right to evaluate and select the bidder keeping in view the cost effectiveness (lower overall cost arrived after the reverse auction) over the entire period for the services.

6. ELIGIBILITY CRITERIA OF THE BIDDERS

KSFE will use the following as the Minimum Eligibility Criteria (MEC) for this RFP and evaluating bidders.

The bidder fulfilling the following criteria only should respond to the RFP/Tender:

Category	Criteria	Supporting documents to be submitted
Bidder's Company	The Bidder as a single legal entity must be registered in India and should have been in operations in India for a minimum of five (5) years by the date of opening of the bid.	Certificates of incorporation / Registration Certificates along with Bylaws/ MoA & AoA or similar legal document.
	The bidder must be registered under appropriate authorities i.e. must be registered with GST authorities / PAN etc.	Copy of GST / PAN
	No joint venture / association of independent consultants / consortium allowed	Self-declaration to be submitted.
Bidder's operation as a Telecom Services Provider	The bidder should be a Telecom Service Provider, other than BSNL and MTNL, and should have a valid Indian Government License. The license should be valid on the date of submission of bid. In the event of license expiring during the term of the project; the bidder should produce a copy of the renewed license, before the expiry of the	Copies of the licenses to be provided along with self-attestation by the authorized signatory with company seal. If the license is expiring during the term of the project, an undertaking as mentioned duly

	existing license.	signed by the authorized signatory.
	The Bidder should either be a layer 3 MPLS VPN Service Provider under the License of Government of India or a National Long Distance (NLD) / Basic Service Operator having own MPLS VPN network.	Copies of the license to be provided along with self-attestation by the authorized signatory with company seal
	The bidder must be a telecom service provider in India at least for the last 5 years having MPLS VPN / National Long Distance / Basic Service Operator license.	Documentary proof (purchase order/customers certificates / self-declaration, etc.) should be submitted along with the bid.
	The bidder should have own access network license for providing the last mile from the competent regulatory authority for providing terrestrial links in India. The certificate should have the validity of at least 5 years from the date of RFP. In the event of license expiring during the term of the project; the bidder should produce a copy of the renewed license, before the expiry of the existing license.	Attested copy of the appropriate license (Unified access Service provider License) by the authorized signatory to be submitted along with the company Seal
	The bidder Must possess certification such as TL 9000/ISO 27001 or similar certification.	Copies of the certificate to be provided along with self-attestation by the authorized signatory with company seal.
	The bidder must be a Tier – I provider / Category-A (class-A) / UASL License Holder from DoT, Government of India.	Copies of the license to be provided along with self-attestation by the authorized signatory with company seal/any other document supporting the condition
	The bidder should produce the validity of TRAI license with documentary proof or any proof that the service provider is listed on the TRAI website as enrolled vendor for providing these services.	Copies of the license / Relevant printouts to be provided along with self-attestation by the authorized signatory with company seal / any other document supporting the condition
	The bidders should have nation-wide high availability MPLS network backbone. The	Backend Network Diagram / Architecture shall be

	bidder's core MPLS backbone should be fully meshed. In addition to the Core, the other part of MPLS backbone of the ISP covering all their PoPs, should have mesh for full redundancy. The ISP should have minimum of 10Gbps Core MPLS bandwidth.	provided by ISP along with the Bid.
	All the POPs from where the MPLS bandwidth shall be provided should have redundancy of equipments, links, power, backhaul connectivity etc.	Self-declaration signed by the authorised signatory along with Name and Seal
	The bidder should have option to connect on all mediums including 4G Last Mile/VSAT/ better options that suit RFP if fiber/RF not available and service provider should hold SLA	Self-declaration signed by the authorized signatory along with Name and Seal
	Bidder should have 100+ POPs (Layer 3) across India.	Self-declaration signed by the authorised signatory along with Name.
	The vendor should have a clear Disaster Recovery and Business Continuity Plan in place for support services	Self-declaration signed by the authorised signatory along with Name and Seal.
	The Bidder should have their own Network Operation Centre (NOC) in India for monitoring / maintenance of MPLS network. The NOC should be in existence for last 3 years.	Self-declaration signed by the authorised signatory along with Name and Seal
Bidders Financials	The bidder should have had an annual turnover of more than Rs. 300 Crores during each of the last three financial years as evidenced by the audited accounts of the company / division.	Copy of the audited Balance Sheets for the preceding three years (2022-23, 2023-24 and 2024-25).
	The bidder should have made operating profit in any one of the last three financial years (2022-23, 2023-24 and 2024-25).	Copy of the audited Balance Sheets for the preceding three years (2022-23, 2023-24 and 2024-25).
Bidder's Experience	Bidder should have an experience of minimum 5 years in providing MPLS VPN connectivity in India.	Self-declaration by the bidder in this regard to be submitted along with the bid.
	The bidder should have executed minimum three orders each for different customers of 500+ network installations (links) in India in the last five years. Out of the three orders mentioned	Documentary proof (purchase order/customers certificates, etc.) should be submitted along with the bid. The bidder should

	above one order should be for commissioning and maintenance of 500 MPLS VPN based links for different locations in India which should include Tier II and Tier III locations.	submit details like name of contact person along with his phone number for above projects to be submitted (for verification)
Bidder's Network Infrastructure in Kerala	The Bidder shall have MPLS Points of Presence (PoPs) in all districts of Kerala on fibre / Wireless backbone.	List of MPLS POP's in Kerala to be submitted with the bid.
	The bidder shall have at least 1000km of Fiber presence in Kerala	Self-declaration by the bidder in this regard to be submitted along with the bid.
	The bidder should be able to provide at least 30% of the total MPLS links completely using its own network	Location wise feasibility showing network used should be submitted along with this bid (Annexure – 2)
	The bidder should have service center in major cities of Kerala to ensure quick response to KSFE's complaints. The bidder should have trained & certified engineers on their payroll for attending to KSFE's requirements with respect to installation, configuration & support services.	Self-declaration to be submitted in this regard.
Blacklisting	The Bidder Should not be debarred or blacklisted in any supplies, products or services by any Government department / organization/institute on the date of bid submission. The bidder must warrant that there is no legal action being taken against it for any cause in any legal jurisdiction. If such an action exists and the bidder considers that it does not affect its ability to deliver the requirements as per the tender, it shall provide details of the action(s).	A certificate in original from the Authorized signatories should be attached as compliance to this condition.

7. Commercial Evaluation

1. The financial bids for the technically qualified bidders only will be opened
2. The Bid should be unconditional with NIL deviation otherwise would be rejected.
3. The Bid, all prices shall be quoted in Indian Rupees only.

4. In case of an abnormally low bid, that it raises material concerns on the capability of the bidder to perform the contract at the offered price, KSFE may in such case will seek clarification from the bidder, including the detailed price analysis of its bid price in relation to scope, schedule, allocation of risks and responsibilities, and any other requirements of the bids document. If, after evaluating the price analysis, KSFE determines that the bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price, KSFE may reject the bid/proposal and subsequently award the contract to the L2 bidder

7.1. Financial Bid

The bidder should provide the financial bid as per **Annexure IV**.

- a. All prices quoted by the Bidder should be in INR.
- b. Bidder must quote for all bandwidths and all last miles as specified in BOQ.
- c. The Financial bid should NOT BE SUBMITTED with Technical Proposal.
- d. Risk Purchase clause: In the event of the Bidder failing to honour the contracted obligations within the stipulated period and where extension of delivery period is not approved. KSFE will initiate risk purchase at the cost and expense of the Bidder, wherein KSFE has satisfied that the Bidder has failed to deliver and has been given adequate and proper notice to discharge his obligations. Whenever this risk purchase clause is resorted to, the selected Bidder is liable to pay the additional amount spent by KSFE, if any, in procuring the said contracted services through a fresh contract, i.e. the defaulting Bidder has to bear the excess cost incurred as compared with the amount contracted with him.

7.2. Payment Terms

KSFE will make payment subject to signing of the contract as follows:

- The contract is initially for a period of 3 year. KSFE reserves the right to extend (after the expiry of the original contract) the period of the contract further for any period not exceeding 3 months at a time or till the next tender is finalized. The terms and conditions for the extended period will be same as that for the existing one.
- The selected bidder/s have to claim the link charges quarterly in arrears on per-link achievement of SLAs defined in the document. The selected bidder/s should submit the link-wise uptime achieved to enable KSFE to pay the quarterly charges
- One time cost of the first batch of links (50% of allotted links) if any, will be paid after successful commissioning of the entire batch and subsequent acceptance by KSFE.

Similarly OTC of the second batch of links (remaining 50% of the allotted links) will be paid after successful commissioning of the same and subsequent acceptance by KSFE.

- The charges per location will begin from the date of acceptance of the link. The service provider should submit the installation and commissioning certificated signed by the KSFE official certifying successful completion of installation and commissioning of the payment.
- After commissioning the entire links allotted to the selected vendor, a common end date for the entire links, not later than the 3 year period based on the last link provisioned will be arrived at by mutual agreement between vendor and KSFE. All links provisioned by the vendor will be expiring on the date fixed in this manner.
- All bills/invoices should be submitted to KSFE Head Office and payment will be released from KSFE Head Office.

8. Terms & Conditions

1. No consortium will be allowed.
2. The Bidder need to adhere to all legal, statutory and regulatory requirements as notified by the Government of India from time to time.
3. After the end of the contract period, as part of the exit process, service provider will remove all network equipments installed at various locations with approval of KSFE.
4. The bidder, during exit/ termination/ expiry of contract, must have to provide support to KSFE/ its partner regarding knowledge transfer, as per the requirements. The bidder will also support the migration of services.
5. Penalties as applicable in SLAs will be deducted during the quarterly payment.
6. KSFE reserves the rights to give new links at locations other than listed with is RFP at the same rate as per the requirement.
7. KSFE reserves the rights to cancel the bid at any stage without giving any reason

9. Liquidated Damages & SLA

In the event of the shortlisted bidder's failure to submit the Guarantees and Documents and provision the links as per timelines specified in this bid document, KSFE may, at its discretion, withhold any payment until the completion of the milestone and/or the contract, as applicable. KSFE may also deduct from the shortlisted Bidder, as agreed, the liquidated damages according to the details furnished below. The right to claim any liquidated damages shall be without prejudice to other rights and remedies available to KSFE, under the contract and law.

9.1.SLA Management

- a.** Service levels will include Availability Measurements and Performance Measurements
- b.** Availability and Performance report should be provided on monthly basis at the end of every month containing all the incidences reported to KSFE. The bidder has to provision suitable tools to generate such reports. The reporting format to be finalized in consultation with KSFE.
- c.** The quarterly SLA reports should be provided by the Bidder to KSFE within seven days from the last date of each quarter.
- d.** The SLA reports shall be jointly reviewed by the Bidder and KSFE along with KSFE's system Integrator within next seven working days. In case of the service level deviations, penalty will be calculated as per Service Levels Agreement and charged to the Bidder.
- e.** Bidder has to ensure support on 24x7x365 basis.
- f.** Response to issues reported by KSFE locations may be telephonic or onsite. In case the issue cannot be resolved telephonically, the Bidder will need to provide onsite assistance within response resolution window.
- g.** The SLA will be also applicable for the locations shared for new MPLS Connectivity and for the new locations getting added every year.
- h.** The Bidder will be a Single Point of Contact for KSFE and will be responsible to manage end to end SLA over the tenure of the contract.
- i.** For the purpose of measurement, "downtime" or "fault duration" constitutes any period of time during which the MPLS circuit is unable to transfer data due to the reasons assignable to WAN Service Provider network. Causes of down time include but are not limited to:
 - i.** MPLS Circuit equipment (i.e., NTU) failures, supplied by service provider
 - ii.** Circuit Outage
 - iii.** MPLS Circuit device hardware failure/ malfunction (at WAN SP end only)
 - iv.** MPLS Circuit software failure/malfunction
 - v.** Power outages (at WAN SP end)
 - vi.** Human error (at WAN SP end)
 - vii.** Process failure (at WAN SP end)
 - viii.** Local Loop failure between the WAN SP MLLN nodes
- j.** Downtime ends upon the successful transmission of data to and from such site or circuit being shown transmitting data.
- k.** The following situations shall be excluded from fault duration determination :-

- i. Office premises are closed and/or no staff is available to attend to service provider.
- ii. Unavailability of circuit due to power failure at KSFE end
- iii. Unavailability of circuit due to Force Majeure
- iv. Duration between 09.00 PM to 09.00 AM (next day), if fault is booked after 09.00 PM.
- v. Any planned maintenance work, with intimation to KSFE and agreed by KSFE.
- vi. Any other reason that is attributed as KSFE responsibility.

9.2. SLA Clauses for Network

- The SLA parameters desired by the Client and to be complied by the bidder shall be as below:-

Sl No	Locations	Response time	MTTR	Uptime	Latency(end -to-end	Packet Loss	Jitter
1	Data Center	30 Mins	≤1 Hrs	99.50%	≤ 110 ms	≤1%	≤30ms
2	Locations other than DC and DR (wired)	30 Mins	≤ 4 Hrs	98.50%	≤ 110 ms	≤1%	≤30ms
3	Locations other than DC and DR (RF)	30 Mins	≤ 4 Hrs	98.50%	≤ 135 ms	≤1%	≤30ms

- Minimum MTU (Maximum Transmission Unit) size should be 1500 bytes.
- The performance of latency, packet loss & jitter shall be measured for a minimum of 1000 packets.

9.3. Fault Booking & Restoration

- (1) The Bidder should provide the assigned numbers to KSFE for booking the calls on 24x7x365 basis. The fault booking service should be available to KSFE on 24x7x365 basis.
- (2) The KSFE team may book the fault on assigned numbers provided by the Bidder. Date and time of booking of fault shall be taken as reference for the purpose of calculation of duration of non-availability of circuit.

- (3) Normally a fault docket number shall be provided to KSFE from bidder on booking of fault.
- (4) On receipt of complaint, the Bidder should localize the fault and restore the same at the earliest. In case of branches, KSFE should provide all necessary support for enabling testing of the circuit between 09.00 am to 06.00 pm of the business day. In case KSFE is unable to provide necessary facilities to the Bidder, the Bidder will have to test the circuit on its own to the last point feasible and clear the fault docket after rectification of the fault. Circuit shall be presumed to be restored when the Bidder has tested the circuit and cleared the fault docket after finding that the circuit is capable of working properly. The fault duration should be accounted accordingly.
- (5) It will be the responsibility of the Bidder to show proper working of circuit on end to end basis through use of test instruments by sending test data while at the same time keeping the bit error rate within limits. Once circuit is brought to right condition through such tests and the data transfer by KSFE's network equipment does not take place, it shall be the responsibility of KSFE to take necessary action at his end. The downtime will end as soon as Network Integrator staff is able to show end to end data transfer using test instruments.
- (6) Faults booked before 9.00 p.m. for the links and the devices at branches shall normally be attended on the same day. However, for faults booked after 9.00 pm, for the links and the devices at branches, while the Bidder will make all efforts to restore the circuit during the night to the extent feasible, the fault resolution work should be resumed by 9.00 a.m. the next day.
- (7) Proactive monitoring on 24x7x365 basis of KSFE WAN links should be done by the Bidder and corrective action will be taken automatically to maintain SLA. Such corrective action will be initiated within five minutes from the commencement of the downtime of the link (non-critical links only). KSFE will also be kept informed through email / call to the designated IT Manager. However the procedure of fault bookings etc. should remain applicable as explained above.

9.4.SLA Penalties

(1)Noc Management/Reporting Services

Penalty will be charged towards non-availability of offsite NOC Service providing support services to KSFE / non-availability of reports required by KSFE for link availability or performance measurement purposes. The penalty charges will be 1% of total order value per day will be levied maximum upto 10% of total order value.

(2) Bandwidth Upgrade/Downgrade

In case the Bidder takes more than stipulated time to upgrade/downgrade the existing bandwidth, penalty charges of 1% per week of annual recurring charges of the affected link(s) will be levied maximum up to 10% of the link recurring charges.

(3) Link Commissioning

- (a) If Bidder fails to commission the links within stipulated time frame mentioned under project timelines, KSFE shall deduct 1% of the order value of the delayed component per week (7 Days) or part thereof of delay until actual delivery, as liquidated damages, up to a maximum deduction of 10% of the order value of the delayed links. Once such delay crosses the maximum limit, KSFE may consider termination of the contract and annulment of order.
- (b) Bidder is expected to escalate any delays in the link commissioning / shifting to the KSFE team on a proactive basis.

(4) Link Performance

General Conditions:

1. Business hour window for site-uptime and SLA calculations:

- (a) For DC/DR \geq 9 AM to 9 PM i.e. 12 working hours per working day
- (b) For Branches/other offices \geq 9 AM to 6 PM i.e. 9 working hours per working day.

2. Total working hours in a quarter will be calculated as:

- a. For DC/DR = $(M1+M2+M3) \times 12$
- b. For Branches/other offices = $(M1+M2+M3) \times 8$

Where M1, M2 & M3 will be the working days in the respective months in the respective quarter. Sundays/KSFE Holidays will be excluded from the working days/hours.

Uptime

Uptime will be defined as

$$\text{Uptime (in \%)} = \frac{[\text{Total Business hours in a quarter} - \text{Total downtime during business hours in a quarter}] \times 100}{\text{Total Business hours in a quarter}}$$

Downtime

“Downtime” or “fault duration” constitutes any period of time during which the MPLS circuit is unable to transfer data due to the reasons assignable to Service Provider network. Causes of down time include but are not limited to:

- i. MPLS Circuit equipment (i.e., NTU) failures, supplied by service provider
- ii. Circuit Outage
- iii. MPLS Circuit device hardware failure/ malfunction (at WAN SP end only)
- iv. MPLS Circuit software failure/malfunction
- v. Power outages (at WAN SP end)
- vi. Human error (at WAN SP end)
- vii. Process failure (at WAN SP end)
- viii. Local Loop failure between the WAN SP MLLN nodes

Downtime ends upon the successful transmission of data to and from such site or circuit being shown transmitting data.

(5) Link Performance Penalty

- Client’s payment terms will be quarterly in arrears on submission of invoices accompanied with uptime reports.
- Client’s criteria for linking link performance with payment will be as below:-

DC & DR	
Uptime	Downtime penalty
>= 99.50%	Nil
>= 98.00% but < 99.50%	5% of the quarterly charges for the site
>= 96.00% but < 98%	10% of the quarterly charges for the site
>= 94.00% but < 96%	25% of the quarterly charges for the site
>= 92.00% but < 94%	50% of the quarterly charges for the site
Less than 92%	75% of Quarterly charges for the site and KSFE also reserve the right to terminate the contract.
In case the packetloss / drop /latency/ jitter is greater than the committed parameter	Rs.200.00 per event in the working hour window as defined above. The test for these parameters shall be conducted every quarter before settlement of the bill, at 5 locations selected randomly.

Locations other than DC & DR	
Uptime	Downtime penalty
>= 99.50%	Nil
>= 98.00% but < 99.50%	5% of the quarterly charges for the site
>= 96.00% but < 98%	10% of the quarterly charges for the site
>= 94.00% but < 96%	25% of the quarterly charges for the site
>= 92.00% but < 94%	50% of the quarterly charges for the site
Less than 91.5%	75% of Quarterly charges for the site and KSFE also reserve the right to surrender the contract.
	Further if the number of time the site is down during a month exceeds 3, KSFE reserves the right to surrender the link.
In case the packetloss / drop /latency/ jitter is greater than the committed parameter	Rs.200.00 per event in the working hour window as defined above. The test for these parameters shall be conducted every quarter before settlement of the bill, at 5 locations selected randomly

- There should be no unplanned downtime of more than 60 minutes during the peak business period (9AM to 9 PM) and more than 2 hours during non-business hours
- Client may monitor the links by its own tool for uptime along with Service Provider. In case of difference in uptime, Client may consider the payment based on report generated by Client's tool, if bidder is unable to justify the difference.
- Following will be excluded while calculating the down time:
 - Down time due to Client issues
 - Scheduled down time for maintenance activity. Bidder need to inform to the client at least a week before for the schedule down time and for urgent situation at least 24 hours before.
 - Down time due to force majeure like earth quake, Natural calamities, Riots and major power outage.

10. Other terms & Conditions

10.1. Verification

KSFE reserves the right to conduct a verification of the customer references submitted by the bidder. KSFE also reserves the right to conduct a verification of the quality management system in place, the manufacturing facilities, and the support infrastructure of the bidder. KSFE will conduct all or any of these verifications to satisfy itself on the bidder's capability to supply the tendered goods and services compliant to the requirement specifications defined in this tender. In the event of the verification revealing that a bidder does not have the capability to supply the tendered goods and services compliant to the requirement specifications defined in this tender, KSFE may at its discretion reject the bid.

10.2. Award Criteria

KSFE will review the Technical bids of the bidders to determine whether the Technical bids are substantially responsive. Bids that are not substantially responsive are liable to be disqualified at KSFE's discretion. Subject to above, KSFE will award the contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined as the best-in Commercial bids, provided further that the Bidder is determined to be qualified to perform the contract satisfactorily.

The final contract will stipulate that the solutions specified will satisfy the Service requirements as stated in the RFP. The following documents would be included as attachments to the final contract:

- This Request for Proposal
- The bidder's proposal in response and clarifications made in course of the evaluation.
- An Implementation Plan identifying the tasks to be completed, the assigned responsibilities, and the scheduled completion dates.

10.3. Right to accept or reject any or all bids

- 1) KSFE reserves the right to accept or reject any bids and to annul the bidding process and reject all bids at any time prior to award of the contract, without thereby incurring any liability to the affected Bidder or any obligation to inform the affected Bidder of the grounds for its action.
- 2) The acceptance of tender will rest with the KSFE, which does not bind itself to accept the best bid and reserves itself the right to reject any or all the tenders received without

the assignment of any reason. All the bids in which any of the prescribed conditions are not fulfilled or are incomplete in any respect are liable to be rejected.

- 3) KSFE does not bind itself to accept the lowest or any tender and reserve to itself the right of accepting the whole or any part of tender and bidder shall be bound to perform the same at the rate quoted.

10.4. Applicable Law

The contract shall be interpreted in accordance with the laws of the Union of India and will be under the jurisdiction of courts at Thrissur District Centre only

10.5. Completeness of Response

- Bidders are advised to study this RFP document carefully before submitting their proposals in response to this RFP. Submission of a proposal in response to this RFP shall be deemed to have been done after careful study and examination of this document with full understanding of its terms, conditions and implications.
- A bid shall be considered Responsive only when the bidder's response to this RFP is full and complete in all respects including the compliance sheet.
- Failure to furnish all the information required in this RFP or submission of a proposal not responsive to the RFP in all aspects will be at the Bidder's risk and may result in rejection of the bidder's Proposal.

10.6. Modification and Withdrawal of Proposal

No proposal may be withdrawn in between the deadline for submission of proposals and the expiration of the validity period specified by the bidder on the proposal form. Entire EMD may be forfeited if any of the bidders withdraw their bid during the validity period.

10.7. Non-Conforming Proposals

A proposal may be construed as a non-conforming proposal and ineligible for consideration if it does not comply with the requirements of this RFP. Failure to comply with the technical requirements, and non-acknowledgment of receipt of amendments, are common causes for holding proposals non-conforming.

10.8. Right to Modify Submission Deadline

KSFE may, at its discretion, extend the deadline for submission of proposals by issuing a corrigendum or by intimating all bidders who have been provided the proposal documents, in writing or by facsimile, in which case all rights and obligations of this RFP and the bidders previously subject to the original deadline will thereafter be subject to the deadline as extended.

10.9. Right to Terminate the Process

KSFE may terminate the RFP process at any time and without assigning any reason. KSFE makes no commitments, express or implied, that this process will result in a business transaction with anyone.

This RFP does not constitute an offer by KSFE. The bidder's participation in this process may result in KSFE selecting the bidder to engage in further discussions and negotiations toward execution of agreement. The commencement of such negotiations does not, however, signify a commitment by KSFE to execute agreement or to continue negotiations. KSFE may terminate negotiations at any time without assigning any reason.

10.10. Disqualification

The bid is liable to be disqualified in the following cases or in case bidder fails to meet the bidding requirements as indicated in this RFP:

- 1) Proposal not submitted in accordance with the procedure and formats prescribed in this document or treated as non-conforming proposal.
- 2) The bidder qualifies the bid with his own conditions
- 3) Bid is received in incomplete form
- 4) Bid is not accompanied by all the requisite documents like EMD, etc. before due date and time. In case EMD exemption MSE/NSIC certificate to be submitted.
- 5) Information submitted in technical bid is found to be misrepresented, incorrect or false, accidentally, unwittingly or otherwise, at anytime during the processing of the Agreement (no matter at what stage) or during the tenure of the agreement including the extension period if any
- 6) Commercial proposal is uploaded as part of technical proposal. Bidder tries to influence the proposal evaluation process by unlawful/corrupt/fraudulent means at any point of time during the bid process.

Annexure 1: Format of Agreement

Agreement

Articles of agreement executed on this theday of two thousand sixteen **BETWEEN** the Managing Director , KSFE Ltd., (hereinafter referred to as "KSFE") of the one part and Sri.....

..... (H.E. name and address of the tender) (Hereinafter referred to as "the bounden") of the other part.

WHEREAS in response to the Notification No.....dated..... the bounden has submitted to the Government a tender for the the specified therein subject to the terms and conditions contained in the said tender;

WHEREAS the bounden has also deposited with the Government a sum of Rs.....as earnest money for execution of an agreement undertaking the due fulfillment of the contract in case his tender is accepted by the Government.

NOW THESE PRESENTS WITNESS and it is hereby mutually agreed as follows:

In case the tender submitted by the bounden is accepted by the KSFE and the contract for is awarded to the bounden, the bounden shall within days of acceptance of this tender execute an agreement with the KSFE incorporating all the terms and conditions under which the KSFE accepts his tender.

In case the bounden fails to execute the agreement as aforesaid incorporating the terms and conditions governing the contract, the KSFE shall have power and authority to recover from the bounden any loss or damage caused to the KSFE by such breach as may be determined by the KSFE by appropriating the earnest money deposited by the bounden and if the earnest money is found to

be inadequate the deficit amount may be recovered from the bounden and his properties movable and immovable in the manner hereinafter contained.

All sums found due to the KSFE under or by virtue of this agreement shall be recoverable from the bounden and his properties movable and immovable under the provisions of the Revenue Recovery Act for the time being in force as through such sums are arrears of land revenue and in such other manner as the KSFE may deem fit.

In witness whereof Sri..... (Name and designation) for and on behalf of the KSFE and Sri.....the bounden have hereunto set their hands the day and year shown against respective signatures.

Signed by Sri..... (date).....

In the presence of witnesses:

- 1.
- 2.

Signed by Sri..... (date).....

Confidentiality Undertaking

We acknowledge that during the course of tendering for Managed Service Providers for Cloud services in Kerala State Financial Enterprises Ltd., we may have access to and be entrusted with Confidential Information. In this letter, the phrase "Confidential Information" shall mean information (whether of a commercial, technical, scientific, operational, administrative, financial, marketing, business, or intellectual property nature or otherwise), whether oral or written, relating to its business that is provided to us pursuant this Agreement. In consideration of you making Confidential Information available to us, we agree to the terms set out below:

1. We shall treat all Confidential Information as strictly private and confidential and take all steps necessary (including but not limited to those required by this Agreement) to preserve such confidentiality.
2. We shall use the Confidential Information solely for the preparation of our response to the RFP/Contract and not for any other purpose.
3. We shall not disclose any Confidential Information to any other person or firm, other than as permitted by item 5 below.
4. We shall not disclose or divulge any of the Confidential Information to any other clients or OEMs or third party.
5. This Agreement shall not prohibit disclosure of Confidential Information:
 - To our partners/directors and employees who need to know such Confidential Information to assist with the bidding for RFP floated for Managed Service Providers for Cloud Services (Ref: RFP IT/14061/23/01).
 - With your prior written consent, such consent not to be unreasonably withheld;
 - To the extent that such disclosure is required by law;

- To the extent that such disclosure is required by any rule or requirement of any regulatory authority with which we are bound to comply; and
- To our professional advisers for the purposes of our seeking advice. Such professional advisers will be informed of the need to keep the information confidential.

6. Upon your request we shall arrange delivery to you of all Confidential Information, and copies thereof, that is in documentary or other tangible form, except:

7. For the purpose of a disclosure permitted by item 5 above; and

8. To the extent that we reasonably require to retain sufficient documentation that is necessary to support any advice, reports, or opinions that we may provide.

9. This Agreement shall not apply to Confidential Information that:

- Is in the public domain at the time it is acquired by us;
- Enters the public domain after that, otherwise than as a result of unauthorized disclosure by us;
- Is already in our possession prior to its disclosure to us; and is independently developed by us

10. This Agreement shall continue perpetually unless and to the extent that you may release it in writing.

11. We acknowledge that the Confidential Information will not form the basis of any contract between you and us.

12. We warrant that we are acting as principal in this matter and not as agent or broker for any person, company, or firm.

13. We acknowledge that no failure or delay by you in exercising any right, power or privilege under this Agreement shall operate as a waiver thereof nor shall any single or partial exercise thereof or the exercise of any other right, power, or privilege.

14. This Agreement shall be governed by and construed in accordance with Indian law and any dispute arising from it shall be subject to the exclusive jurisdiction of the Thrissur courts.

We have read this Agreement fully and confirm our agreement with its terms

Yours sincerely

Form of Bank Guarantee for Security Deposit

GUARANTEE BOND PRESCRIBED BY

THE GOVERNMENT OF KERALA

(To be used by Nationalised Banks)

In consideration of the Managing Director of Kerala State Financial Enterprises Ltd., (hereinafter called the KSFE) having agreed to exempt (. name and address) [hereinafter called "the said Contractor (s)"] from the demand, under the terms and conditions of an agreement dated made between and for (hereinafter called "the said Agreement") of security deposit for the due fulfillment by the said Contractor (s) of the terms and conditions contained in the said Agreement, on production of a bank guarantee for ` [Rupees(in words)..... only]. We Bank Limited (hereinafter referred to as "the Bank" do hereby undertake to pay the KSFE., an amount not exceeding ` (Rs. In words) against any loss or damage caused to or suffered or would be caused to or suffered by the KSFE, by reason of any breach by the said Contractor (s) of any of the terms or conditions contained in the said agreement.

1 We Bank Limited do hereby undertake to pay the amounts due and payable under this guarantee without any demur, merely on a demand from the KSFE stating that the amount claimed is due by way of loss or damage caused to or would be

caused to or suffered by the KSFE by reason of any breach by the said Contractor of any of the terms or conditions contained in the said Agreement or by reason of the Contractor's failure to perform the said Agreement. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding ` (Rs. In words).....

2 We Bank Limited further agree that the guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said agreement and that it shall continue to be enforceable till all the dues of the KSFE under or by virtue of the said Agreement have been fully paid and its claims satisfied or discharged of till (Office / Department) certified that the terms and conditions for the said Agreement have been fully and properly carried out by the said Contractor (s) and accordingly discharges the guarantee. Unless a demand or claim under this guarantee is made on us within two years from the period fixed or extended (if the agreement / supply order specifically provide for such extension of time) for the due performance of the contract by the Contractor we shall be discharged from all liability under this guarantee thereafter.

2 We Bank, Limited further agree with the KSFE that the KSFE shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said Agreement or to extend time of performance by the said Contractor (s) from time to time or to postpone for any time or from time to time any of the powers exercisable by the KSFE against the said Contractor (s) and to forbear or enforce any of the terms and conditions relating the said Agreement and we shall not be relieved from our liability by reason of any such variation or extension being granted to the said Contractor (s) or for any forbearance act or omission on the part of the KSFE or any indulgence by the KSFE to the said Contractor (s) or by any such matter or thing whatsoever which under the law relating to sureties would but for this provision have effect of so relieving us.

3 To give effect to this guarantee it shall be competent for the KSFE to act as though the Bank, were the principal debtor.

RFP for Supply, Installation, Commissioning and Maintenance of MPLS VPN Connectivity in KSFE Offices

- 4 It is hereby expressly agreed and declared that this guarantee and the powers and provisions herein contained are in addition to and not by way of limitation of or substitution for any former or other guarantees or guarantee heretofor given by the Bank to the KSFE and now existing uncanceled and that this guarantee is not intended to and shall not revoke or limit such other guarantee or guarantees.
- 5 We Bank Limited lastly undertake not to revoke this guarantee during its currency except with the previous consent of KSFE in writing.

Dateday of on Two thousandfor
..... Bank Limited.
